

Who is ACN?

The Association of Consultants to Nonprofits

ACN is the premier society of professional consultants who specialize in working with nonprofits. We connect nonprofit consultants with one another, we connect nonprofits with qualified experts and we connect both with best practices and useful tools.

OUR MEMBERS

Diverse

ACN Members represent more than 30 practice areas including fundraising, board development, program evaluation, graphic design and more.

Experienced

The typical ACN member has been a practicing nonprofit consultant for 11.6 years, and averages nine clients per year.

Collaborative

Nearly 20% of our members have collaborated with other ACN members on projects in the past year.

Career. Committed. Consultants.

Member organizations range in size from sole proprietorships to firms of more than 30 people.

36%

Firm

64%

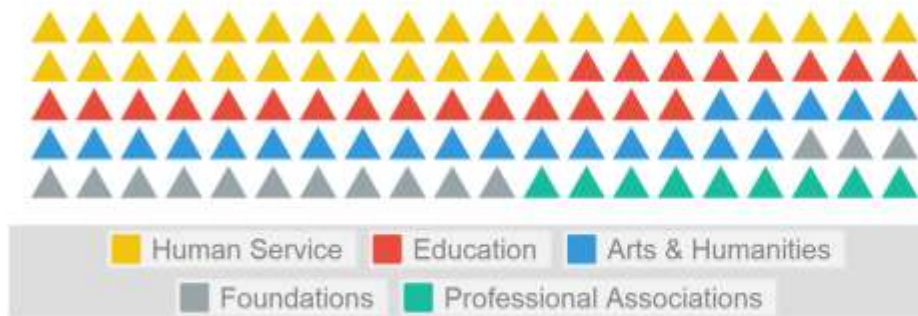

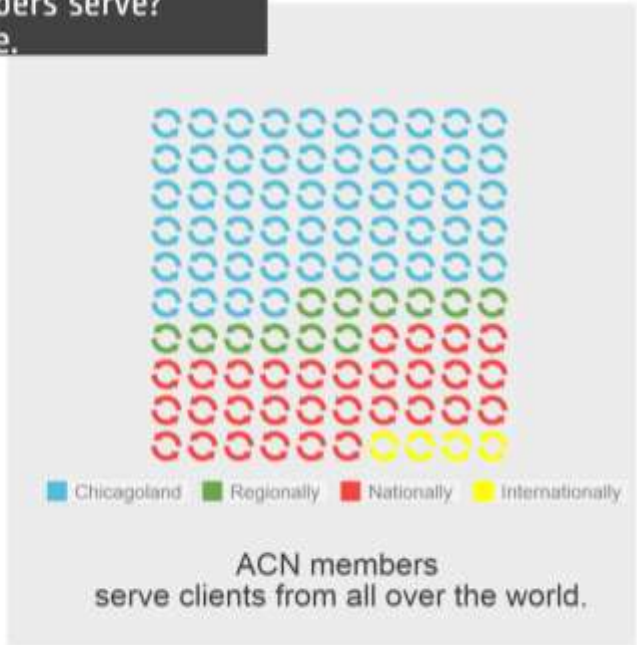

Sole Proprietor

Adaptable

Nearly half of our members also serve clients in the private sector.

48%

Who do our members serve?
Everyone.

Top Five Sectors Served

Members report serving ten different nonprofit sectors in past two years - here are the top five.
